**FUTURITY SHOW AND SALE**

**BOWLING GREEN, KENTUCKY**

**SATURDAY, MARCH 16, 1963**

**Alice Woods, Kentucky Lassie, presents silver trophy to Hollis Hanson for showing the champion at the 1961 Futurity. The bull sold to Paul G. Baker & Son, Jonesboro, Ind. At left, Wayne Pearson, holds the University of Kentucky's reserve champion. He went to Otis Greer, Whitesville, Ky.**

#### **COVER PHOTO**

**Champion females at the 1962 Futurity. L to R.: Mary Ann Blankenship, Bill Meacham, Sherrill Parks with his reserve champion; Tommy Garriott with Ox Valley Farm's champion female and Sue Gray.**

This is the fourteenth year the Kentucky Futurity has been held in Bowling Green. The offering promises to be the best yet.

The wonderful support the Kentucky Department of Agriculture has given the registered cattle industry has been a strong factor in attracting the outstanding cattle that make this truly a national sale. I would like to thank the department for its wonderful cooperation in providing show premiums and in promoting better livestock and more efficient marketing.

Numerically this is the largest offering in the history of the sale and certainly there will be few sales in 1963 where you can equal the quality of these cattle.

Plan to be with us at the banquet March 15 and for the show and sale March 16. You will make friends you will never forget and see cattle of the same calibre.

**JUNIOR JUDGING CONTEST.** Prizes of \$100, \$65 and \$35 will be awarded.  
Turn to page 55 for details.

The \$20,000 Louada Regalia by Bapton Constructor with a throng of admirers at a recent Kentucky field day at Brown-Forman Experimental Farm. Seven sons sell.

## **13 YEARS — 762 HEAD — \$365,885**

A number of years ago, the Kentucky Legislature passed an act setting up a special premium fund for National Shows and Sales of each of the major beef breeds. They had a definite purpose in mind. The aim of this far-sighted legislation was to generate recognition the nation over for Kentucky as an outstanding source of supply for the finest registered seed stock . . . much as it is regarded as the finest source of Thoroughbreds. Secondly, by holding these sales in Kentucky, it was only natural that a large share of the best cattle would stay in the State to build stronger herds. Also, with these premiums as attractions, Kentucky breeders were stimulated to breed better cattle and take an increasingly larger part in the Futurity themselves.

In the 13 years this sale has been held at Bowling Green, a total of 762 head have been sold for \$365,885 . . . or an overall average of \$480 . . . to cattlemen from 22 states and Canada. These are prices that leave profit on both the buyers' and sellers' side of the ledger.

Anyone who has ever been connected with the management of a registered cattle sale knows how difficult it is to talk breeders into parting with their very best at auction. We are able to do it in this sale because of the generous premiums offered in the show. Please remember that every animal in the show will be sold at auction. This is your opportunity to share in the benefits of the Kentucky Futurity program.

# GENERAL SALE INFORMATION

**LOCATION:** The Western Kentucky State Teachers College Farm which is on the outskirts of Bowling Green, Kentucky.

**TIME:** Show 9:30 a.m. Sale 12:30 p.m. Lunch will be served on the grounds, Saturday, March 16, 1963.

**TERMS:** The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchasers.

**HEALTH:** All cattle will be sold according to the health laws of Kentucky. Inter-State health charts will be provided, but all buyers should make themselves aware of any deviations from Kentucky law that might be applicable to entry into their own states. Brucellosis: All cattle will have a test for Bang's within 30 days of the sale, unless they are officially calfhood vaccinated and under the minimum age, or unless they come from Bang's Certified herds. T.B.: All cattle will have a test within 30 days unless they come from Federally Accredited herds.

**GUARANTEE:** The cattle are to be sold under the standard guarantee of the American Shorthorn Breeders' Association. Where footnotes appear in this catalog, they were furnished by the consignor or written from information supplied by the consignors. The Kentucky Shorthorn Association, the consignors, the owners of the sale facilities will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerk of the sale assume any liability of any kind. The sale manager was retained by the Kentucky Shorthorn Breeders' Association for the specific tasks of compiling the sale offering, preparing the catalog, handling advertising and publicity, transferring pedigrees and disbursing receipts and assumes no liability for fulfillment of guarantees or errors in health papers.

## **STANDARD GUARANTEE**

**endorsed by the**

### **AMERICAN SHORTHORN ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or hieifer sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

**BEST PAIR (Bull and Female)**

**BEST GROUP OF THREE (Luther Rice Memorial Trophy)  
(Bred and owned by consignor.)**

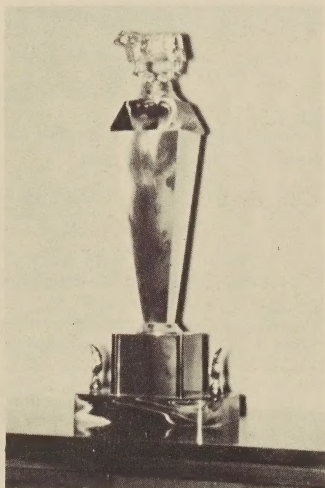

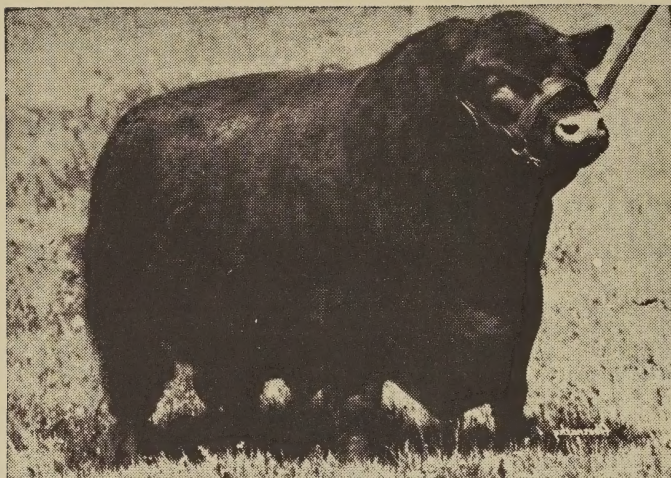

This Best Group of Three was won by Wm. Meacham, Sturgis, at the 1960 Kentucky Futurity. A similar win in 1961 brought him permanent possession of the perpetual Luther Rice Trophy for Best Group of Three at this Show and Sale.

## **The Luther K. Rice Memorial Trophy**

This beautiful trophy was awarded by Luther K. Rice, Paris, Ky., to the consignor showing the best three head, bred and owned by the consignor. It became the permanent possession of Wm. Meacham, Sturgis, Ky., three years ago upon winning the award three times. A new Luther K. Rice Memorial Trophy has been offered by the Kentucky Shorthorn Breeders' Ass'n. in honor of the many fine things done for Kentucky Shorthorns by Mr. Rice.

Missing this year from the ranks of Kentucky Futurity consignors is Luther K. Rice, Paris, Ky., who passed away January 10, 1962. He served the Kentucky Shorthorn Ass'n., the American Shorthorn Ass'n and the State of Kentucky in many capacities. He had received the national Shorthorn honor of "Builder of The Breed," had been named "Mr. Shorthorn" by fellow Kentucky breeders, and had received the Golden Sheaf award for contributions to Kentucky Agriculture. He had no peers as a Shorthorn enthusiast and as a gentleman.

# SHORTHORNS TOP KENTUCKY TESTS FOR THIRD YEAR

For the third consecutive year Shorthorns topped blacks and whitefaces in the Kentucky Performance Testing Program. (Results of the 1962 tests have not yet been compiled.)

Reds, Whites and Roans led in average daily gains, adjusted average daily gains, in type score, index value and weight for each day of age. It is especially significant that the Shorthorn figures for these categories show improvement from the previous years, indicating that the Kentucky breeders are continually upgrading their herds.

These tests offer each breeder an added tool for eliminating poor producing cows and sires and for emphasizing the superior strains. In the end it is the buyer who benefits since he knows he is buying from performance tested stock.

Judging scene at a former Kentucky Futurity.

LAVENDER CELIA — One of Bank Balance's best daughters to be sold to date, and out of a good daughter of Kirkton Gambler. Panel Lavender, Lavender Loudon's first daughter, was purchased by Dr. Sawyer at Russellville where she is doing a good job. Lavender Celia will make a good brood cow for anybody's herd. Sells open. Vaccinated.

# The place to buy Is Where the Good Ones Are Sold

Pictured here are winners at previous Kentucky Futurity shows. It is no accident that buyers come back again and again. They know they can select from an outstanding offering of national caliber at the Kentucky Futurity.

**Ox Valley Critic** was grand champion at the 1958 Futurity. He was consigned by Ox Valley Farms and sold to Arthur Alexander, Irvington, Ky.

Alice Woods presents the champion female trophy at the 1961 Futurity to R. B. Stimson. Judge Don Hutzel is next with Richard Yarnell holding the champion and Hollis Hanson his reserve champion. Both are consignors this year.

These Three Shagbark Shorthorns won the Luther K. Rice Memorial Trophy for the best group of three at the 1962 show. They averaged \$908. Two are by Louada Command . . . whose get is a feature this year.

Judging scene at a former Kentucky Futurity.

## **JUNIOR JUDGING CONTEST**

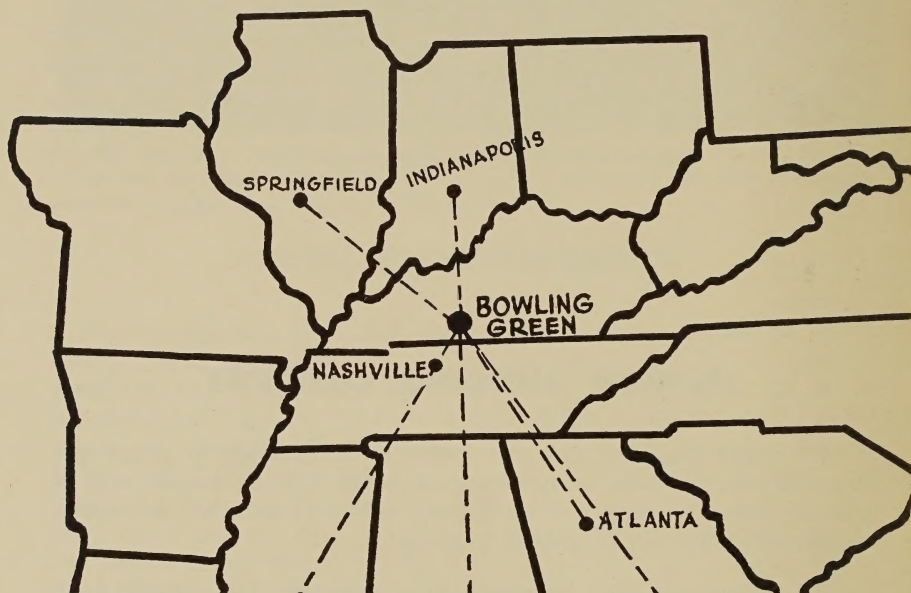

We would like boys and girls interested in livestock to attend this show and sale. To make it interesting, a Junior Judging Contest will be held in connection with the show. Any 4-H or Vocational Agriculture member attending will be eligible to participate.

All participants must be registered and receive their judging cards by 9:00 a.m., at which time the show will begin. Three classes will be designated for junior placings. You will have a specified time to make your placings, handing cards in before the judge makes his official placings.

Three prizes will be awarded. These will be credits on the purchase of any animal in the sale in the amounts of \$100 (first prize), \$65 (second prize); \$35 (third prize). These credits are not transferrable, and are void at the conclusion of this sale. Should any prize winner not use his credit in the sale, an appropriate plaque will be sent to him instead through the courtesy of the Kentucky Shorthorn Association.

Whether you are a prize winner or not, you will learn by and enjoy testing your judging skills upon one of the finest groups of Shorthorns to be sold this spring. The judge will give reasons on placings in these classes.
